project
- Workshop 3: Present your CD
project

WORKSHOPS

- 1) Result of this workshop: In this workshop the individual groups will create a poster on one of the aspects of professional roles in Community Development that they discussed during the workshop. This poster will be presented within the workshop groups.
- 2) Design a CD project using the community development framework. And a) reflect on your own national health and social care system and the impact on your project. b) use the empowerment ladder to assess the different degrees of power.

Workshop 2 - CASES

- Case 1: prevention of depression in the elderly
- Case 2: healthier together in residential care
- Case 3: Community participation adults with intellectual disability
- Case 4: prevention of speech and language delay
- Case 5: involvement of caregivers and volunteers in a nursing home
