15:00	Discussion time		

Workshop III: Urban Sustainable Development (Tuesday)

Chair: Ghent

11:15-11:45	Anja Willmann	Frankfurt University of Applied Sciences	Bauhaus Structures - Designing Energy Producing Structures for Public Space on the Bauhaus University Campus in Weimar, Germany
11:45-12:15	Martina Klärle Ute Langendörfer	Frankfurt University of Applied Sciences	Realisation of Plus-Energy-Settlements
12:30	Lunch		
01:30	Christopher Seifert Anja Willmann Holger Techen	Frankfurt University of Applied Sciences	Design and Testing of a Multifunctional Façade System for Energy Generation and Sound Guidance in the Urban Space
02:00	Tine Koehler	Frankfurt University of Applied Sciences	Sustainable Urban Growth and Rural Development
02:30	Peter Lacoere	University College Ghent	Reducing Land Use
03:00	Coffee		
03:15	Robert Hairstans	Edinburgh Napier University	Transforming Vacant & Derelict Land via Mutual Place Making
03:45	Hans Jürgen Schmitz	Frankfurt University of Applied Sciences	10 topics agenda development of action plan for the energy change in the metropolitan region
04:15	Lars Dyrskjøt Wellejus	Frankfurt University of Applied Sciences	Ghana Eastern Railway Line - a Financing Puzzle
	Discussion time		

Workshop IV: The Smart City (Tuesday)

Chair: Frankfurt

11:15-11:45	Mieke Paelnick	University College Ghent	Geo-ICT skills for smart sustainable cities
11:45-12:15	Wieke Schrama Andrew Switzer	Amsterdam University of Applied Sciences	Co-creation at Amsterdam Campuses
12:30	Lunch		
13:30-14:00	Kaija Haapasalo	Metropolia University of Applied Sciences	"Last Mile" Smart mobility solutions
14:00-14:30	Guido van Os	Amsterdam University of Applied Sciences	New cities a new administration: new technologies and the change of urban institutions
14:30-15:00	Kai-Oliver Schocke Petra Schäfer Silke Höhl Andreas Gilbert	Frankfurt University of Applied Sciences	Commercial traffic Frankfurt Rhein Main (3.0)
15:15	Discussion time		

Workshop V: Research and Innovation and the Urban Eco-System (Wednesday)

10:45	Sandy Rathod Simeona Petkova	Amsterdam University of Applied Sciences	Mapping the Imaginary: The emancipation of Amsterdam Zuidoost
11:15	Fabian Thiel	Frankfurt University of Applied Sciences	Community building or destroying? Urban conflicts of the „khrushchyovka“ renovation project in Moscow
11:45	Kristiane Seidel	Frankfurt University of Applied Sciences	Transfer-Interaction with the region - An Example
12:15	Lunch		
01:30	Esa Toukoniitty	University of Helsinki	How sustainability transformation has taken place in Helsinki City, Eco-Viikki residential area.
02:00	Sandra Bos Adrew Switzer	Amsterdam University of Applied Sciences	Urban Commons a common U!REKA programme?!
02:30	Maren Harnack	Frankfurt University of Applied Sciences	Trash or treasure? The critique of post war

			modernist housing
03:30	Discussion time		

Workshop VI: Higher Education Research (2 Days)

Chair: Didi Griffioen; Amsterdam University of Applied Sciences

Tuesday

	Name	Institute	Title
11.15	Barbara Lämmlein	Frankfurt University of Applied Sciences	The Significance of Research Skills at Universities of Applied Sciences – An International Critical Analysis of Institutional Approaches within the U!REKA network
11.45	Lisbet Gevaert Sophie Vandroemme Robin Stevens	University College Ghent	Professional development: blended learning in higher education
12:30	Lunch		
01:30	Daniel van Middelkoop	Amsterdam University of Applied Sciences	Working apart together - strengthening teacher teams through experimental learning labs
02:00	Barbara Klein	Frankfurt University of Applied Sciences	Smart Independent Living Center: a pedagogical approach for interdisciplinary learning in the context of Assistive Technologies and Accessible Design
02:30	Laura-Maija Hero	Metropolia University of Applied Sciences	Multidisciplinary higher education pedagogies for innovations
03:00	Coffee		
03:15	Didi Griffioen	Amsterdam University of Applied Sciences	Attitudes and/or Experiences? Undergraduate Students' and Lecturers' Experienced Research Integration in Higher Education
03:45	Marije van Meegen	Amsterdam University of Applied Sciences	Research-related learning objectives in the undergraduate curricula of Amsterdam University of Applied Sciences (AUAS).
04:15	Marjatta Kelo	Metropolia University of Applied Sciences	Higher Education Lecturers? Professional Development
4.45	Christoph Rosenbusch	Frankfurt University of Applied Sciences	Measuring and improving social and academic integration within HEIs

		Applied Sciences	
--	--	------------------	--

HERD: Wednesday

	Name	Institute	Title
10:45	Sanne Daas	Amsterdam University of Applied Sciences	The research-teaching nexus within Dutch new and old universities: an analysis of job openings.
11:15	Susanne Koch	Frankfurt University of Applied Sciences	Service Learning at Frankfurt University
	chance for deepening new partnerships (duo's)		
12:30	Lunch		
	chance for deepening new partnerships (duo's)
